### Oahu Club Adult Tennis League Policy

1. Team captains are responsible for submitting Oahu Club Adult Team Tennis Registration form to Tennis Director before registering team with USTA or HTL leagues.
2. All players on team roster must be current Oahu Club Tennis Members. Non-members are ineligible. Otherwise, team is prohibited from using Oahu Club courts for match play. However, if teams are having difficulty filling out the roster they may invite non-member(s) to join team by filling out a NON-MEMBER AGREEMENT FORM and paying a fee of \$60. Form available in OC Pro Shop.
3. All players must be of the same NTRP level. No player of lower NTRP level may be added to roster without approval from Tennis Director. However, there is an exception for leagues allowing combined rated doubles teams.
4. Teams that are formed by combined NTRP ratings such as Mixed and Ekolu leagues shall register players as follows: 3.0 players have priority on 6.0 teams, 3.5 players have priority on 7.0 teams and 4.0 players have priority on 8.0 teams. Approval required from Tennis Director required before registering players of lower/higher ratings.
5. Team captains must submit final team roster with full names of each player, current NTRP rating and phone number one week prior to player registration deadline.
6. All team names must have Oahu Club or OC at the start of team name.
